

# Universal tweezers set 12 pcs

<b>Art.-No.</b>	5-100
<b>Description</b>	Universal tweezers set 12 pcs
<b>Application</b>	Universal, precision mechanics, electricians, electrical engineering, jewelers, watchmakers
<b>Specification</b>	Dimensions see data sheets individual articles (pictogram)
<b>Material</b>	stainless steel, alloyed tool steel, tool steel, plastic
<b>Surface/Coating</b>	polished, nickel-plated,PVC dip insulated
<b>Features</b>	dissipative, insulated, nickel-plated, polished
<b>Surface resistance</b>	/
<b>Total length</b>	measures 300 × 200 × 20 mm
<b>Weight</b>	weight 360 g

## Application and technical data

Universal tweezers set for mobile maintenance work, including desoldering lever and zinc knife. Tool steel, corrosion protection by surface treatment.

## Parts list

Universal tweezers set consists of:

- 5-100-0 leatherette bag 12 empty pockets
- 2-126 ESD desoldering lever slotted at one ends
- 2-127 ESD tin knife pointed sharp blade
- 2-601 IC-tweezers 125 mm
- 5-006 component tweezers 145 mm jaws insulated
- 5-107 anatomical tweezers 150 mm form 22b
- 5-107-6 tweezers 150 mm form 22b teething,insulated
- 5-115 thermal tweezers 165 mm form R30 cross tweezers
- 5-117 anatomical tweezers 145 mm form 40 serrated
- 5-117-6 tweezers 145 mm form 40 teething,insulated
- 5-121 anatomical tweezers 120 mm form 16 serrated
- 5-078 universal tweezers 130 mm form PSF stainless steel
- 5-156 cross tweezers 160 mm form R29 plastic hand-guard
